

Memorandum

DATE: 2/19/2013

FROM: Brad Algeo
Consultant
Blue Wing Services

SUBJECT: Montgomery County Rebanding Training Website Instructions

The Montgomery County Radio Rebanding Training Website has been developed to provide comprehensive radio training to all personnel who operate subscriber radio equipment on the Montgomery County 800 System.

Web-base training access: <http://www.bluewing.com/montcotraining.html>

ID: mctraining

Password: rb2013

Once you are logged on to the training site please use the following steps:

- 1.) Click on the "Training Video's" button
- 2.) Click on the "Main Presentation" button, view the video to completion
- 3.) Click on the "Back to main menu" button
- 4.) Click on the "Training Video's" button
- 5.) Click on the "Mobile Radios" and/or the "Portable Radios" Button.
Click and view ALL radio types that pertain to your agency and use.
- 6.) After viewing all the videos of the individual radio types click on the "Back to main menu button"
- 7.) Click on the "Completion of Training Acknowledgement" button and fill out the training acknowledgement form.
